

Employee Education Fund

Kingston Healthcare Company believes its employees to be its most important asset

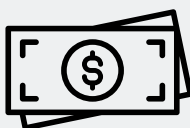

How to get started

Qualifications:

This program rewards employees who consistently demonstrate strong attendance, performance, and behaviors aligned with Kingston's mission and approach. This is determined through the following:

- ✓ Corrective Action Review
- ✓ Performance Review
- ✓ Attendance Review
- ✓ 6 months of employment required

What is Supported:

The Kingston Employee Education Fund offers financial support to Kingston employees pursuing education that improves healthcare and wellbeing in our senior living communities. Scholarships range up to \$5,000.

- ✓ Clinical Title Advancement
- ✓ Advanced Certifications
- ✓ Specialized Trainings
- ✓ Programs aligned with career development

How to apply:

Employees must submit a formal application, which is reviewed by a board of organizational leaders starting with the building Administrator and/or Executive Director. This board evaluates candidates based on tenure, performance, behavior, and business needs to determine eligibility for the program.
